

JOHANNES BRANDENBURGER

+49 152 1111111 ◇ Mengen, Germany

johannes@brandenburger.dev ◇ [LinkedIn](#) ◇ [GitHub](#) ◇ [resume.example.de](#)

OBJECTIVE

I am Johannes, a passionate software developer and engineer. After my dual studies at [Example Company GmbH](#), I am currently doing my Master's in Software Engineering in Konstanz, DE. In addition, I work as a freelance developer and consultant for various companies and realize my own side projects in my favorite topics, full-stack development and software architecture.

Currently, I'm developing a resume generator, which is used to generate this resume.
